THE DIRECTORS' COMMENTS . . .

Welcome to the 24th Annual Mid America Classic (MAC) girls' basketball tournament! As these comments are being drafted in late December, four of the eight teams have one loss or less and all four are ranked in the top 10 in their respective classes/divisions! We look forward to some 'amazin hoops' from our four-6A, two-5A and two-4A teams.

McPherson USD 418, McPherson High School and the McPherson Optimist Club work together to create a unique partnership to make this tournament happen. It takes all 80 Optimist members, many spouses and other volunteers countless hours of dedication and commitment to make this tournament successful. Anyone you see in a "teal" shirt is an Optimist member; please feel free to ask them any questions you may have. If they do not know the answer, they will find out for you.

We would like to recognize and thank the following corporate sponsors, our neighbors, the national refinery, **CHS**, and international plumbing/HVAC manufacturer, **Viega**. **The McPherson Convention and Visitors Bureau (CVB)** also provides a significant grant. We especially appreciate these key McPherson entities joining with the Optimist Club to make sure this tournament stays financially healthy and permitting the club to honor their motto "Friend of Youth".

Additional thanks go to USD 418 and the terrific staff of McPherson High School. Special thanks to Shane Backhus, athletic director, Tennille McCormick, athletics/activities administrative assistant, and Dave 'Tiny' Larson, Roundhouse facilities manager, whose efforts and guidance are invaluable to the success of the tournament. Year in and year out our program/printing folks at McPherson Copyright, Todd Huddle and his assistant, Kim Schafer, do an amazing job. Thanks Todd and Kim!

Finally, we want to Thank You, the fan, for making this tournament so very special. Enjoy the games each afternoon/evening and come share your enthusiasm with the girls as they compete in the tournaments' unique **Free Throw** and **3-Point Shooting** contests at 11 AM on Saturday morning.

Nowhere in the state is a mid-season tournament more anticipated than the MAC. Be sure to relish every minute of hoops action during your visit to the venerable McPherson High School **Roundhouse!**

SPECIAL THANKS

Special thanks to Sheriff Jerry Montagne and the McPherson County Sheriff's Reserves for volunteering their time during this tournament.

Welcome!

As President of the McPherson Optimist Club and on behalf of our organization, I would like to welcome you to the 24th Annual Mid-America Classic. If you are from out of town, welcome to our community and to the Roundhouse at McPherson High School.

Our local Optimist Club has been around for over 40 years and is part of a network of over 2,500 clubs around the world whose members work each day to make the future brighter by bringing out the best in youth, their communities, and themselves. Clubs are always looking for new members and if you are interested in joining, I encourage you to inquire at the Opportunity to Win table outside the main entrance to the gym.

This tournament is the McPherson Optimist Club's primary fundraiser for the year. Proceeds from this tournament allow us to continue our sponsorship of many worthwhile endeavors centered on encouragement and development of youth. Among the many activities we sponsor is Gifts Intended for Teens, a program where we purchased gifts for close to 100 local teenagers from low-income families to ensure a Merry Christmas for everyone in 2018.

Personally, I love watching this tournament. The games are all about exceptional teamwork and every game has the feel of being for the championship. I encourage everyone to purchase a three-day pass and settle in for some great basketball.

I would like to thank our tournament co-directors, Denny, Jerry, and Kendall; their committees, and other sponsors and volunteers who make this tournament possible. Also, thank you for your attendance, for your support of youth activities, and for creating a positive environment in which these outstanding basketball teams can perform at their best. Please enjoy the tournament!

Adam Peterson
2019 McPherson Optimist Club President

Home to the McPherson Bullpup varsity basketball teams for over 55 years, the first varsity basketball game was played in the famed facility on December 3, 1963. To this day, the Roundhouse continues to be the premier high school facility in the state of Kansas. One sports writer, upon visiting the Roundhouse for the first time, remarked, "This is like the Taj Mahal of high school arenas!"

With a current capacity listed as 2,700, the early years found that figure routinely exceeded for league, invitational tournament, regional and sub-state games, with fans at times standing two and three deep around the concourse and students spilling out onto the floor surrounding the court.

In addition to its unique "roundhouse" design and its accompanying great atmosphere for basketball, the Roundhouse has been kind to the home team over the years. On their way to winning a combined 22 KSHSAA state basketball championships, both the Bullpup girls and boys teams have won over 80% of their games played on the hallowed hardwoods.

Over the years, various additions, replacements, and improvements have taken place. In 1983, a Bullpup head was added to the center jump circle. In January 1991, the Booster Club initiated and installed the first set of 16 banners above the court, recognizing State Championships won by MHS athletic teams and activities. Since that time, the number of State Championship banners has grown to 56. The Wall of Fame plaques program was formalized in January 1994. Today, 197 plaques, honoring individual state champions, coaches, and contributors to MHS activities line the walls and soon will encircle the Roundhouse concourse.

Other improvements to the Roundhouse have included new bleachers being installed in the summer of 2004, reducing the capacity from its original 3,800. In the summer of 2006, the center court suspended scoreboard was added and new lighting replaced the original "blue lights". The following summer (2007), the original floor was replaced with new hardwoods and a new paint scheme which included, for the first time, the free throw lanes and end lines painted solid red and the Bullpup logo in the center circle being replaced with a red "M". (The original center circle with the Bullpup logo was preserved and is on display on a wall at the McPherson Museum and Arts Foundation at 111 E. Kansas Avenue.) In 2014, the final touch, the lighted signage above the main entry into the Roundhouse, was added, making the Roundhouse what you see today.
